On November 27, 2007, the Board remanded this case to the Examining Attorney for consideration of a proposed disclaimer.

A review of the record shows that the last paragraph has wrongly indicated that "...proceedings will be resumed and *applicant will be allowed time in which to file its brief on appeal*".

By this order, the error is corrected, to read as follows: "*proceedings will be resumed and a decision in the appeal will be issued*". The error is regretted.
