Tyrone Craven, Paralegal:

On August 24, 2005, the Board dismissed applicant's appeal for failure to file a brief. It has come to be Board's attention that on May 20, 2005, applicant filed a response with an amendment to its application. It is the Board's practice to suspend when a response to a final action has been filed with a notice of appeal.

In view thereof, the Board's August 24, 2005 order is hereby vacated and the application is returned to pending status. The appeal is suspended and the application file is forwarded herewith to the Trademark Examining Attorney for review of applicant's May 20, 2005 response.

In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is

maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file its brief on appeal.
