Applicant's request to suspend the appeal and remand the case to the Examining Attorney for consideration of additional evidence in the nature of a letter of consent is noted.

Applicant seeks remand in order for the Examining Attorney to consider the letter of consent. Good cause having shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney for consideration of the letter of consent.

In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is

maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file its brief on appeal.
