The notice of opposition filed October 3, 2005, on behalf of L.C. Licensing, Inc., is noted.

The record in the application file reveals that the mark was published for opposition purposes on October 4, 2005.

Inasmuch as the subject application had not been published in the Official Gazette at the time of filing of the notice of opposition, the request for L.C. Licensing, Inc. is premature; that is, a request for an extension of time to oppose or an opposition may be filed only when the application is published for such purposes under Section 12 (a) of the Trademark statute.

The notice of opposition to oppose are returned herewith to potential opposer.
