On March 30, 2006, Conseal International Incorporated, through counsel, filed a request for reconsideration of the denial of its notice of opposition filed November 1, 2005.

In view of the circumstances set forth in the request for reconsideration, the Board's letter dated November 29, 2005 is hereby vacated.

However, the request had not been associated with the file of this case at the time the subject application matured into Registration No. 3039425. The Board regrets this situation, but it is without authority to vacate the issuance of said registration.

The application file is hereby forwarded to the Assistant Commissioner for Trademarks for consideration of the cancellation of the inadvertently issued registration, following which the notice of opposition will be processed.
