MOTION TO REVOKE GRANT OF EXTENSION OF TIME

Applicant, American Republic Brands, L.L.C., for its Motion to Revoke the Extension of Time to File Opposition in this matter granted to Sentra Industries, Inc. ("Sentra") states as follows:

1. On or about January 19, 2005 Application filed with the United States Patent and Trademark Office ("USPTO") its application to register the trademark "SWISH" (the "Mark") in connection with antiseptic mouthwash on the Principal Register.
2. On or about January 17, 2006 the Mark was published for opposition.
3. On or about February 14, 2006 Sentra filed a "First 90 Day Request for Extension of Time to Oppose for Good Cause" (the "Extension Request") stating that

"Potential opposer believes that good causes are established by this request by:

- The potential opposer needs additional time to investigate this claim
- Please SWISH BRAND LICENSING to resolve this trademark controversy and/or merely file an Express Abandonment Rentamark.com"
4. The Trademark Rules, 37 C.F.R. 2.102(c)(1), provide: "a person may file a first request for either a thirty-day extension of time, which will be granted upon request, or a ninety-day extension of time, which will be granted *only for good cause shown.*" (emphasis added)
5. Sentra's Extension Request was granted on February 14, 2006 and on Applicant's best information said Extension Request was granted without any investigation or determination as to whether Sentra made a showing of Good Cause.

6. Sentra did not have good cause to file the Extension Request or to seek an extension of time to file an opposition because it has no grounds to file an opposition.
7. The named correspondent for Sentra is Leo Stoller.
8. On best information, a search of the records of proceedings of the Trademark Trial and Appeal Board reveal that Leo Stoller, through Sentra and other affiliated entities including Stealth Industries, Inc. and Central Mfg, Co. (collectively, the "Stoller Affiliates"), has filed approximately 400-500 Requests for Extension of Time to File Oppositions since January 1, 2006. Copies of those records are attached as Exhibit A to this Motion.
9. On best information, a search of the records of the database of pending filed trademark applications and effective registrations maintained by the USPTO reveals that Sentra owns no such pending applications or registrations.
10. A reasonable inference that can be drawn from the volume of Extension Requests filed by the Stoller Affiliates coupled with the fact that Sentra owns no pending federal trademark applications or federal trademark registrations is that Mr. Stoller has absolutely no basis for filing the Extension Request and that he is perverting and abusing the administrative process of the USPTO by delaying registration of the Mark with the hope that Applicant will pay to have Sentra abandon its Extension Request rather than wait ninety or one hundred eighty days to complete registration.
11. Further supporting this inference is the decision of the United States District Court for the Northern District of Illinois in *Central Mfg. Co. v. Pure Fishing, Inc.*, 2005 WL 3090988 (N.D. Ill), wherein the Court took extensive judicial notice of Mr. Stoller's pattern of abuse of the judicial and administrative process:

This case is a striking example of gross misconduct by counter-defendant and plaintiff's principle [sic], Leo Stoller, and his counsel, Peter Woods. Their conduct constitutes a flagrant contempt for this Court and mandates the harsh sanctions of dismissal of this case with prejudice as to plaintiff and entry of default judgment as to each counter-defendant.

I. Factual Background

Leo Stoller, a counter-defendant and purported sole shareholder of plaintiff Central Mfg. Co. and each of the counter-defendants, is a frequent litigant within this district. Mr. Stoller, a non-lawyer, has earned a reputation for initiating spurious and vexatious federal litigation. See e.g. *Central Mfg. Co. et al. v. Brett*, 2005 WL 2445898 (N.D. Ill. Sept. 30, 2005) (Coar, J.) ("Stoller appears to be running an industry that produces often spurious, vexatious, and harassing

federal litigation.”); S. Indus. Inc. v. Stone Age Equip., Inc., 12 F.Supp.2d 796 (N.D.Ill.1998) (Castillo, J.) (Stoller initiates “litigation lacking in merit and approaching harassment.”); S. Indus. Inc. v. Hobbico, Inc., 940 F.Supp. 210, 211 (N.D.Ill.1996) (Shadur, J.) (Stoller “appears to have entered into a new industry-that of instituting federal litigation.”). Additionally, Mr. Stoller or his entities have been ordered to pay their opponent's attorneys' fees in at least seven reported cases. *See e.g. Central Mfg. Co. et al. v. Brett*, 2005 WL 2445898 (N.D.Ill. Sept. 30, 2005) (Coar, J.); S Indus., Inc. v. Ecolab Inc., 1999 WL 162785 (N.D.Ill. Mar. 16, 1999) (Gottschall, J.); S Indus., Inc. v. Stone Age Equip., Inc., 12 F.Supp.2d 796, 798-99, 819-20 (N.D.Ill.1998) (Castillo, J.); S Indus., Inc. v. Centra 2000, Inc., 1998 WL 157067 (N.D.Ill.Mar.31, 1998) (Lindberg, J.), *aff'd by* 249 F.3d 625, 627-29 (7th Cir.2001); S Indus., Inc. v. Diamond Multimedia Sys., Inc., 991 F.Supp. 1012 (N.D.Ill.1998) (Andersen, J.); S Indus., Inc. v. Diamond Multimedia Sys., Inc., 17 F.Supp.2d 775 (N.D.Ill.1998) (Andersen, J.); S Indus., Inc. v. Diamond Multimedia Sys., Inc., 1998 WL 641347 (N.D.Ill. Sept. 10, 1998) (Andersen, J.); S Indus., Inc. v. Kimberly-Clark Corp., 1996 WL 388427 (N.D.Ill. July 9, 1996) (Shadur, J.); S Indus., Inc. v. Hobbico, Inc., 940 F.Supp. 210, 212 (N.D.Ill.1996) (Shadur,J.).(FootnotesOmitted)

Based on the foregoing Applicant respectfully moves this Board to reconsider and revoke its grant of Sentra’s Extension Request.
