Vionette Baez, Paralegal:

Applicant's notice of appeal, a request for reconsideration and amendment to allege use filed October 16, 2007 is noted.

The appeal is instituted but action on it is suspended and the electronic record of the application file is herewith remanded to the Trademark Examining Attorney for examination of the amendment to allege use. After the Examining Attorney's issuance of either an acceptance and/or ultimate denial¹ of the amendment, the Board shall be so informed and the appeal will be resumed.

¹ In this connection, the amendment to allege use should be treated as a new issue, such that any refusal to allow registration cannot be made final until applicant has been given an opportunity to respond.

A request for an oral hearing, if desired, is due not later than ten days after the due date for applicant's reply brief.
