Applicant's April 4, 2008 motion to extend time to file its brief on appeal is granted as modified. Accordingly, inasmuch as the parties are negotiating for a consent agreement, the Board *sua sponte* suspends action on the appeal for three months.

Inasmuch as the agreement may obviate the refusal to register, applicant is allowed until July 9, 2008, in which to submit to the Board a copy of the consent agreement with a request for remand, or otherwise its brief on appeal.
