Dear Jenny Park, Examining Attorney:

Please be advised regarding above endowment: to accommodate "separate accounting entries and audit controls." I prefer individual registration trademarks. This response is to Final Office Action dated December 3, 2009, to tutelary boarding school January 7, 2010.

(2) May I expound on *L'Aurore*. A child's joy is being free from worry. Free from worries of the next meal or where to sleep. Worry free is where learning begins. The imagination of the child needs tutelary, higher learning to experience *the Dawn of Peace*. *L'Aurore* is the dawn of peace. Because of the Law of Peace the Orphan's Fund Foundation became poetry. The alliteration OFF is more than an acronym for foundlings. Foundlings of unknown parentage, please see backside of appeal. Accordingly, *L'Aurore des l'orphelins* has acquired distinctiveness: Regarding Steelbuilding.com, 415 F.3d 1293, 75 USPO 2d 1442 (2005).

(3) With due respect, Orphan's Fund Foundation is neither a genus of goods and services nor genetics at issue in the above case, but the endowment is a (none-profit) boarding school for foundlings. Books of poetry being published support the boarding school. It is an unregistered endowment. Please note, the Orphan's Fund Foundation is poetry but the verse is *poetic insight*. Because there is no adjective (modifier) in the alliteration the connection between the words is an acumen. I could go to Google.com. And I could find hundreds of interpretations of poetry. But I am the poet and my definition holds, because poetry is the *art* or *work* of the poet. Therefore, Orphan's Fund Foundation denotes the DAWN OF PEACE. Fund denotes FOUNDER or sinking fund because founder connotes sinking. Foundation denotes FOUNDLINGS. OFF is the acronym for Orphan's Fund Foundation. The endowment unveils the phenomena of *L'Aurore*. Orphan's Fund Foundation. Because of the alliteration in verse versification, *L'Aurore* became composed verse into Orphan's Fund Foundation LAW OF PEACE.

(4) Accordingly, please make appointment for registration and trademark with the United States Patent and Trademark Office for the Orphan's Fund Foundation by Duane Rainville Demers. I wish to appeal to the board of directors for hearing; I thank you in advance for your assistance.

(5) Respectfully, I prefer individual registration of trademarks as filed than a combined effort. Preference requested for separate MARKS Orphan's Fund Foundation registration was hand delivered January 13, 2010 to the Office of the United States Patent and Trademark Office in Alexandria Virginia.

Enclosed Orphan's Fund Foundation check payable to USPO for fees of \$100.00
