**By the Trademark Trial and Appeal Board:**

The notice of appeal filed by Applicant on May 29, 2015, with a certificate of mailing dated May 26, 2015, is noted.

A review of the application file reveals that the Board resumed this ongoing appeal on January 17, 2015 and informed Applicant that the six month response clause listed in the Examining Attorney's November 26, 2014 order, did not apply in that there was already an ongoing appeal at the Board. The Board's January 17, 2015 order also resumed the appeal and set Applicant's brief due date for sixty days from the mailing date of that order. When no response was received from Applicant, the Board dismissed the appeal for Applicant's failure to file a brief on April 6, 2015 and this application was abandoned May 19, 2015.

Inasmuch as the application was abandoned, Applicant's appeal dated May 26, 2015 is accordingly untimely and cannot be instituted. The application therefore stands abandoned. See: Rule 2.142(b)(1).
