Lalita R. Greer, Paralegal Specialist:

Applicant's requests to suspend and remand filed January 22, 2008 are noted.

Applicant seeks remand in order for the Examining Attorney to consider a proposed amendment. Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney for consideration of the proposed amendment.

If the amendment is accepted and the mark is found registrable on the basis of this paper, the appeal will be moot. If the amendment is accepted but the refusal to register is maintained, the Examining Attorney should issue

an Office Action so indicating, and return the file to the Board. The appeal will then be resumed and applicant allowed time in which to file its appeal brief.
