First 90 Day Request for Extension of Time to Oppose for Good Cause

Pursuant to 37 C.F.R. Section 2.102, EM RESEARCH ORGANIZATION, INC., 468 Kawasaki, Uruma-City, Okinawa, 904-2203, JAPAN, a corporation organized under the laws of JAPAN, respectfully requests that it be granted a 90-day extension of time to file a notice of opposition against the above-identified mark for cause shown.

Potential opposer believes that good cause is established for this request by:

- *The potential opposer filed federal litigation against the applicant for, among other things, trademark infringement relating to applicant's deceptive use of the term "EM." The case is newly filed and the potential opposer needs an extension of time to conduct discovery in the matter before determining whether or not to officially oppose the mark.*

The time within which to file a notice of opposition is set to expire on 11/01/2007. EM RESEARCH ORGANIZATION, INC. respectfully requests that the time period within which to file an opposition be extended until 01/30/2008.

Respectfully submitted,
