IN THE UNITED STATES PATENT AND TRADEMARK OFFICE  
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

Application Serial No.	77249648
Applicant	Qumranet, Inc.

## Notice of Appeal

Notice is hereby given that Qumranet, Inc. appeals to the Trademark Trial and Appeal Board the refusal to register the mark depicted in Application Serial No. 77249648.

The refusal to register has been appealed as to the following class of goods/services:

- Class 009.

All goods and services in the class are appealed, namely: Computer system software for use with computers and electronic devices for creating and implementing end-user computing environments over a global computer network by allowing desktop environments, computer applications and operating systems to be both centrally administered and remotely accessed by other computers and devices; Computer programming software for computer system and application development, deployment and administration over a global computer network, excluding downloadable computer software for use in tracking and monitoring computer hardware, computer software, disk space, patches and offline servers on computer networks; Computer system software for administering the interaction between a central computer and a remote computer over a global computer network

Respectfully submitted,  
/Harris A. Wolin/
