In re Application of:

K-Swiss Inc.

SECOND REQUEST FOR EXTENSION OF TIME TO FILE APPEAL BRIEF

Commr. For Trademarks
P.O. Box 1451
Alexandria, VA 22313-1251

To the Trademark Trial and Appeal Board:

Applicant requests a two (2) month extension of time beyond the September 16, 2010, due date to file its Brief on Appeal or Request for Remand with Additional Evidence, to November 16, 2010. This is the SECOND extension of time sought in this appeal.

During the two (2) month period for preparing the appeal brief Applicant's counsel has had several business matters which has precluded him from spending the time necessary to

address this appeal, which included several out of town trips. In addition, counsel's schedule was impacted by two (2) unanticipated medical issues. First, counsel's assistant required unanticipated and emergency medical care relating the onset of kidney stones. In addition, counsel's father was diagnosed with a very aggressive melanoma cancer. Such cancer required prompt surgical removal and the prognosis is still pending.

As a result of Applicant's counsel's schedule, Applicant's counsel requires additional time to prepare and file an appropriate appeal brief.

For the foregoing reasons, Applicant respectfully requests an additional two (2) month extension of time to file its Brief on Appeal or Request for Remand, to and including November 16, 2010.

Respectfully submitted,

Dated: September 16, 2010
