The request for extension of time to oppose filed March 17, 2009 on behalf of American Media Inc. is noted.

Please note that the time for filing a notice of opposition will not be extended beyond 180 days from the date of publication. Trademark Rule 2.102(c). Because potential opposer has already been granted extensions of time aggregating 180 days from the date of publication, it is not entitled to further extensions.

Accordingly, potential opposer's request is DENIED. Potential opposer's remedy lies in the filing of a petition for cancellation after applicant's application has matured into registration.
