Janice D. Hyman, Paralegal Specialist:

Applicant's request for suspension of the above captioned appeal, filed November 6, 2009, is noted. Applicant requests that action on the appeal be suspended pending determination of whether Registration No. 2893093, which was cited by the Trademark Examining Attorney as a Section 2(d) bar to registration of applicant's mark, will continue or will instead be cancelled under Section 8.

Accordingly, the request to suspend is granted. If the cited registration is cancelled, the Board will dismiss the appeal as involving a moot issue. If the registrant files its Section 8 affidavit, the Board will resume proceedings

and applicant will be allowed time in which to file its brief on appeal.

If prior to the Board's taking action in the appeal applicant becomes aware that the cited registration has been cancelled, or that registrant has filed its Section 8 affidavit, it may so advise the Board and request that the Board either dismiss the appeal as moot, or call this case up for appropriate action.
