MARK SECTION (no change)	
ARGUMENT(S)	
<u>REQUEST FOR RECONSIDERATION</u>	
<p>The applicant, IGT (“Applicant”), by its attorneys, responds to the final Office Action of May 17, 2011, as follows:</p>	
<u>REMARKS</u>	
<p>Applicant filed to register the mark MINIBUCKS for “gaming machines, namely, devices which accept a wager” in Class 9.</p>	
<p>On May 17, 2011, the Examining Attorney maintained and made final her objection to the specimen Applicant submitted in support of the subject application on the ground that the mark as shown on the specimen does not function as a trademark because it is merely used to identify a particular betting level.</p>	
<p>In response, Applicant herewith amends the identification of goods to “a feature of gaming machines, namely, devices which accept a wager,” and respectfully submits that the MINIBUCKS mark functions as a source indicator for Applicant's feature of its gaming machines.</p>	
<p>Specifically, as referenced in Applicant’s previous response, the MINIBUCKS mark is Applicant's way of labeling one of the progressive levels on its gaming machines. Applicant has adopted the MINIBUCKS, MINORBUCKS, MAJORBUCKS and MAXBUCKS level names to correspond with the theme of Applicant’s gaming machines. The MINIBUCKS, MINORBUCKS, MAJORBUCKS and MAXBUCKS marks are used in connection with various different gaming machines of Applicant, including in connection with Applicant’s TRIPLE PLATINUM RICHES and EMERALD SEVENS games. <u>See</u> Exhibit A. The marks appear in a prominent manner on Applicant’s gaming machines, thus indicating to consumers that the marks are associated solely with Applicant. <u>See e.g.</u>, Exhibit B, showing use of the mark in connection with large signage for multiple gaming machines owned by Applicant. The MINIBUCKS, MINORBUCKS, MAJORBUCKS and MAXBUCKS marks are not mere ornamentation or informational matter. Indeed, Applicant owns an incontestable registration for its MEGABUCKS mark, which is the top award in the MINIBUCKS, MINORBUCKS, MAJORBUCKS</p>	

and MAXBUCKS series of marks. See Exhibit C. Thus, consumers viewing the MINIBUCKS mark will connect the mark with Applicant’s family of distinctive MINIBUCKS, MINORBUCKS, MAJORBUCKS and MEGABUCKS marks and the various games on which the MINIBUCKS mark appears and view the mark as a source identifier for Applicant’s gaming machines.

Contrary to the Office Action, whether Applicant’s MINIBUCKS mark refers to a betting level or feature of Applicant’s gaming machines does not diminish the trademark significance or source-identifying function of Applicant’s mark. Features, including betting levels, of gaming machines are integral to the operation of gaming machines and can serve to attract consumers to play the gaming machine and distinguish one’s gaming machine from other gaming machines, just as a feature of computer software is integral to the computer software and can serve to attract consumers to buy the computer software and distinguish the computer software from another’s computer software. Indeed, the Trademark has recognized in a large number of cases, including for a large number of Applicant’s marks, that trademarks used in connection with features or components of goods are capable of trademark significance. For example, Applicant’s STACKED WILDS mark was registered for “a feature of gaming machines, namely, devices that accept a wager.” See Exhibit D. The mark is clearly shown on the front of the gaming machine and thus serves to distinguish this particular feature of Applicant’s gaming machine from features of third party gaming machines. See id. Similarly, Applicant’s HOVERING WILD MULTIPLIER (Registration No. 3,880,916), DAREDEVIL (Registration No. 3,064,222) and WILD ROLLOVER marks (Registration No. 3,966,894) also cover features of gaming machines and are displayed on the front of Applicant’s gaming machines in a manner such that consumers would perceive the marks as identifying particular features of gaming machines associated solely with Applicant. See Exhibit E. Other examples of registrations Applicant has obtained for features of gaming machines are attached hereto as Exhibit F.

Moreover, in addition to the ten PARTY and PARTY LEVEL marks referenced in Applicant’s previous response, Applicant also owns several registrations for other marks that are similarly trademarks for levels within Applicant’s gaming machines and have been recognized by the Trademark Office as acting as source identifiers of Applicant’s gaming machines. For instance, Applicant owns Registration Nos. 3,873,957, 3,868,033 and 3,873,956 for the marks GARNET, AMETHYST and AQUAMARINE, which are used as level names on Applicant’s gem-themed gaming machines. See Exhibit G. Copies of examples of the specimens submitted for the GARNET, AMETHYST and AQUAMARINE marks are attached as Exhibit H. The MINIBUCKS mark is used in an even more prominent manner than Applicant’s various GARNET, AMETHYST, AQUAMARINE, PARTY and PARTY LEVEL marks. As a result, Applicant respectfully submits that the specimen for its MINIBUCKS mark should similarly be accepted.

**Request for Reconsideration after Final Action
To the Commissioner for Trademarks:**

Application serial no. **77507603** has been amended as follows:

ARGUMENT(S)

In response to the substantive refusal(s), please note the following:

REQUEST FOR RECONSIDERATION

The applicant, IGT ("Applicant"), by its attorneys, responds to the final Office Action of May 17, 2011, as follows:

REMARKS

Applicant filed to register the mark MINIBUCKS for “gaming machines, namely, devices which accept a wager” in Class 9.

On May 17, 2011, the Examining Attorney maintained and made final her objection to the specimen Applicant submitted in support of the subject application on the ground that the mark as shown on the specimen does not function as a trademark because it is merely used to identify a particular betting level.

In response, Applicant herewith amends the identification of goods to “a feature of gaming machines, namely, devices which accept a wager,” and respectfully submits that the MINIBUCKS mark functions as a source indicator for Applicant's feature of its gaming machines.

Specifically, as referenced in Applicant’s previous response, the MINIBUCKS mark is Applicant's way of labeling one of the progressive levels on its gaming machines. Applicant has adopted the MINIBUCKS, MINORBUCKS, MAJORBUCKS and MAXBUCKS level names to correspond with the theme of Applicant’s gaming machines. The MINIBUCKS, MINORBUCKS, MAJORBUCKS and MAXBUCKS marks are used in connection with various different gaming machines of Applicant, including in connection with Applicant’s TRIPLE PLATINUM RICHES and EMERALD SEVENS games. See Exhibit A. The marks appear in a prominent manner on Applicant’s gaming machines, thus indicating to consumers that the marks are associated solely with Applicant. See e.g., Exhibit B, showing use of the mark in connection with large signage for multiple gaming machines owned by Applicant. The MINIBUCKS, MINORBUCKS, MAJORBUCKS and MAXBUCKS marks are not mere ornamentation or informational matter. Indeed, Applicant owns an incontestable registration for its MEGABUCKS mark, which is the top award in the MINIBUCKS, MINORBUCKS, MAJORBUCKS and MAXBUCKS series of marks. See Exhibit C. Thus, consumers viewing the MINIBUCKS mark will connect the mark with Applicant’s family of distinctive MINIBUCKS, MINORBUCKS, MAJORBUCKS and MEGABUCKS marks and the various games on which the MINIBUCKS mark appears and view the mark as a source identifier for Applicant’s gaming machines.

Contrary to the Office Action, whether Applicant’s MINIBUCKS mark refers to a betting level or feature of Applicant’s gaming machines does not diminish the trademark significance or source-identifying function of Applicant’s mark. Features, including betting levels, of gaming machines are integral to the operation of gaming machines and can serve to attract consumers to play the gaming machine and distinguish one’s gaming machine from other gaming machines, just as a feature of computer software is integral to the computer software and can serve to attract consumers to buy the computer software and distinguish the computer software from another’s computer software. Indeed, the Trademark has recognized in a large number of cases, including for a large number of Applicant’s marks, that trademarks used in connection with features or components of goods are capable of trademark significance. For example, Applicant’s STACKED WILDS mark was registered for “a feature of gaming machines, namely, devices that accept a wager.” See Exhibit D. The mark is clearly shown on the front of the gaming machine and thus serves to distinguish this particular feature of Applicant’s gaming machine from features of third party gaming machines. See id. Similarly, Applicant’s HOVERING WILD MULTIPLIER (Registration No. 3,880,916), DAREDEVIL (Registration No. 3,064,222) and WILD ROLLOVER marks (Registration No. 3,966,894) also cover features of gaming machines and are displayed on the front of Applicant’s gaming machines in a manner such that consumers would perceive the marks as identifying particular features of gaming machines associated solely with Applicant. See Exhibit E. Other examples of registrations Applicant has obtained for features of gaming machines are

attached hereto as Exhibit F.

Moreover, in addition to the ten PARTY and PARTY LEVEL marks referenced in Applicant's previous response, Applicant also owns several registrations for other marks that are similarly trademarks for levels within Applicant's gaming machines and have been recognized by the Trademark Office as acting as source identifiers of Applicant's gaming machines. For instance, Applicant owns Registration Nos. 3,873,957, 3,868,033 and 3,873,956 for the marks GARNET, AMETHYST and AQUAMARINE, which are used as level names on Applicant's gem-themed gaming machines. See Exhibit G. Copies of examples of the specimens submitted for the GARNET, AMETHYST and AQUAMARINE marks are attached as Exhibit H. The MINIBUCKS mark is used in an even more prominent manner than Applicant's various GARNET, AMETHYST, AQUAMARINE, PARTY and PARTY LEVEL marks. As a result, Applicant respectfully submits that the specimen for its MINIBUCKS mark should similarly be accepted.

EVIDENCE

Evidence in the nature of EXHIBIT A - Images of Applicant's gaming machines; EXHIBIT B - Marketing materials; EXHIBIT C - TARR Status Report; EXHIBIT D - TARR Status Reports; EXHIBIT E - TARR Status Reports; EXHIBIT F - TARR Status Reports; EXHIBIT G - TARR Status Reports; EXHIBIT H - Specimens of record for Applicant's registrations has been attached.

CLASSIFICATION AND LISTING OF GOODS/SERVICES

Applicant proposes to amend the following class of goods/services in the application:

Current: Class 009 for Gaming machines, namely, devices which accept a wager

Original Filing Basis:

Filing Basis: Section 1(b), Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services as of the filing date of the application. (15 U.S.C. Section 1051(b)).

In International Class 009, the mark was first used at least as early as 09/30/2010 and first used in commerce at least as early as 10/19/2010.

Proposed:

Tracked Text Description: ~~Gaming machines, namely, devices which accept a wager~~; [A feature of gaming machines, namely, devices which accept a wager](#)

Class 009 for A feature of gaming machines, namely, devices which accept a wager

Filing Basis: Section 1(b), Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services as of the filing date of the application. (15 U.S.C. Section 1051(b)).

In International Class 009, the mark was first used at least as early as 09/30/2010. and first used in commerce at least as early as 10/19/2010.

GOOD LUCK!

Megabucks™ Purple Passion™ Multi-Level Progressives

Refresh your life changing jackpots bank.

TARGET PLAYER

- Players are attracted to the *Megabucks™* brand for its mega top awards

BENEFITS AND FEATURES

- New base game, *Purple Passion™* is a 5-reel, 30-payline, 300-credit penny game with a 30-credit cost-to-cover wager
- Unique to this theme is the multipliers feature
- Max bet increases possibility of achieving higher progressive levels
- Retriggering Free Games bonus
- Symbol-driven *Megabucks* top award only possible during base game play
 - The other four progressives are triggered when adjacent stacks of gemstone sub-symbols line up, filling all three visible reel positions
- Easy Bet wagering simplifies game play and encourages higher wagers
- Frequent top and bottom LCD celebration animations encourage game activity and player excitement
- Game structure encourages players to bet up

Megabucks™ Purple Passion™ Multi-Level Progressives

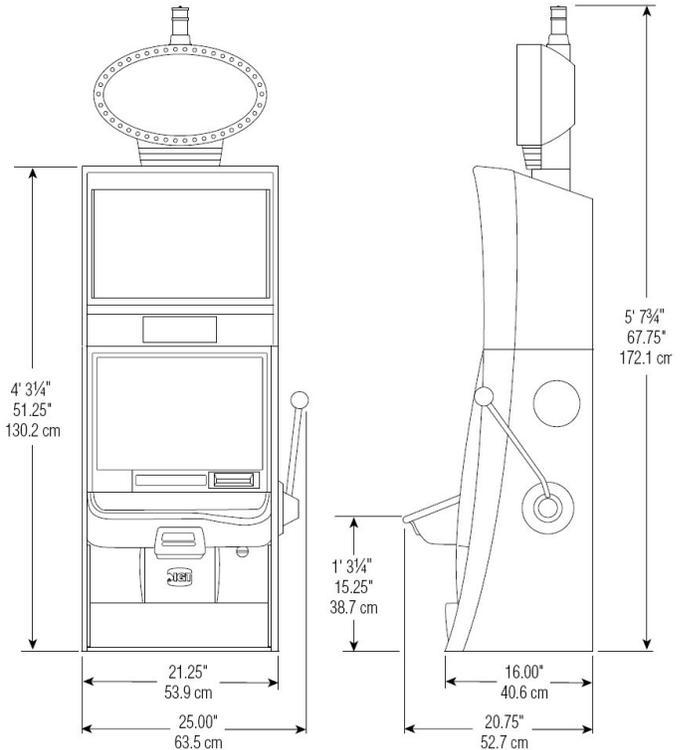

In the base game and Free Games bonus, random multiplier transform on any spin from 2X to 5X, multiplying all line wins that apply.

Symbol-driven Megabucks top award only possible during base game play.

In the base game, three, four or five scatter bonus symbols initiate 10 Free Games.
