IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

Application Serial No.	77521400
Applicant	IFP

Notice of Appeal

Notice is hereby given that IFP appeals to the Trademark Trial and Appeal Board the refusal to register the mark depicted in Application Serial No. 77521400.

Applicant has filed a request for reconsideration of the refusal to register, and requests suspension of the appeal pending consideration of the request by the Examining Attorney.

The refusal to register has been appealed as to the following classes of goods/services:

- Class 009.
All goods and services in the class are appealed, namely: Software and computer programs for creating model of oil reservoirs using integrated data fields of data acquired during oil production
- Class 035.
All goods and services in the class are appealed, namely: Business management assistance and professional consultation about the organization and management of businesses related to the oil reservoirs modeling software
- Class 042.
All goods and services in the class are appealed, namely: Computer programming for adjusting static geological models and dynamic reservoir models through integration of well data acquired during oil production; technical consultation relating to engineering, conducting technical project engineering studies, engineering research in the field of oil exploration production, and industrial design, engineering surveying, geological estimations, engineering services, namely, developing reports for others for adjusting static geological models and dynamic reservoir models through integration of well data acquired during oil production

Respectfully submitted,

/jas/
