Veronica P. White, Paralegal Specialist:

The request for extension of time to oppose filed January 19, 2010 on behalf of The U.S. Marine Corps is noted.

The time for filing a notice of opposition will not be extended beyond 180 days from the date of publication. Trademark Rule 2.102 (c).

Because potential opposer has already been granted extensions of time aggregating 180 days from the date of publication, it is not entitled to further extension.

Accordingly, potential opposer's request is DENIED. Unless potential opposer has timely filed a notice of opposition, this extension proceeding will remain terminated.
