UNITED STATES PATENT AND TRADEMARK OFFICE

TRADEMARK TRIAL AND APPEAL BOARD

Serial No.: 77753502

Applicant's Mark: BUFFALO

Filed: June 5, 2009

Applicant:
Aristocrat Technologies Australia Pty Ltd.

Law Office 110

Examining Attorney:
CASTRO GIANCARLO

Commissioner for Trademarks
P.O. Box 1451
Alexandria, VA 22313-1451

APPLICANT'S REQUEST FOR AN EXTENSION OF TIME TO FILE A REPLY BRIEF

Applicant requests a thirty (30) day extension of time to file a Reply Brief in response to the Examining Attorney's Appeal Brief, filed January 19, 2012. Due to a staffing shortage, Applicant's Attorney is currently managing the entire international trademark portfolio of a large, publicly traded company (on the Australian Stock Exchange) and requests the additional time in order to give the appeal process for Applicant's Mark the attention and analysis it requires. Applicant's Reply Brief is currently due February 8, 2012 and Applicant makes this Request for Extension pursuant to TBMP 1203.02(d) in order to have ample time to research, analyze and address several of Examiner's arguments. Should this Request be granted, Applicant's Reply Brief would be due March 9, 2012.

Applicant submits that the good cause standard has been satisfied and requests that its Request for Extension of Time be granted.

Respectfully submitted,

Aristocrat Technologies Australia Pty Ltd
