**By the Trademark Trial and Appeal Board:**

On November 24, 2015, the Board dismissed the appeal in the above-identified application because no brief had been filed. It has now come to the Board's attention that on November 12, 2015, prior to the dismissal of the appeal, Applicant filed a request for remand or in the alternative its brief on appeal. The filing which was not known to the Board until after it dismissed this appeal, is now a part of the electronic record.

In view thereof, the Board's order dismissing the appeal is hereby vacated.

Applicant seeks remand in order for the Examining Attorney to consider additional evidence. Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney for consideration.

In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and Applicant will be allowed time in which to file its brief on appeal.
