On November 29, 2011, the Board dismissed the appeal in the above-identified consolidated applications application because no briefs had been filed. However, due to an docketing error it is noted that the applicant had until November 29, 2011 in which to file its briefs, the oversight is regretted.

In view thereof, the Office action dismissing the above consolidated appeals is hereby **vacated** and any briefs filed on or before November 29, 2011 will be accepted as having been timely filed.
