The trademark examining attorney issued a final Office action on 8/23/2010. On 2/23/2011, applicant responded by filing a notice of appeal to the Trademark Trial and Appeal Board (TTAB) and a request for reconsideration of the final. The Board then suspended the appeal and remanded the application to the trademark examining attorney for consideration of the request. However, since no request for reconsideration has been submitted in 64 days, the request is denied and the case is returned to the TTAB for resumption of the appeal.

Accordingly, the Board has been notified to resume the appeal. *See* TMEP §715.04(a).
