By the Trademark Trial and Appeal Board:

It has come to the Board's attention that Applicant's appeal brief, filed October 8, 2015, is 54 pages long. Trademark Rule 2.142(b)(2) provides in part that, "without prior leave of the Trademark Trial and Appeal Board, a brief shall not exceed twenty-five pages in length in its entirety, including the table of contents, index of cases, description of the record, statement of the issues, recitation of the facts, argument, and summary." Applicant's brief is manifestly over the 25-page limit for an appeal brief, nor did Applicant seek prior leave of the Board to file an overlong brief.

Accordingly, the Board will give no consideration to Applicant's appeal brief, although we will treat the brief as having been timely filed, and therefore the appeal will not be dismissed for failure to file a brief. Applicant's reply brief, filed December 24, 2015, will be considered.
