By the Trademark Trial and Appeal Board:

The issue on appeal is a likelihood of confusion between Applicant's mark and the marks in Registration Nos. 3018770 and 4080586. This appeal was suspended on April 11, 2016 pending a determination as to whether Registration No. 3018770 would be cancelled. A review of the record of the Registration file reveals that it was cancelled under Section 8 on June 24, 2016.

Accordingly, the appeal is dismissed as involving a moot question with respect to Registration No. 3018770. However, with respect to Registration No. 4080586, the appeal is resumed and the application is forwarded for a decision in due course.
