In re Eastman Chemical Company<sup>1</sup>

Serial No. 77924132

Filed: 1/29/2010

**Victoria von Vistauxx, Paralegal Specialist:**

Applicant has filed, on August 31, 2015, a motion for the Board to approve amendment to its drawing in the above-entitled application and a request for remand.<sup>2</sup>

Review of the Board records does not show that Applicant has filed a substitute drawing.

In view thereof, Applicant's request to remand its application to the Trademark Examining Attorney for his review of the proposed amendment to the drawing of subject application is hereby denied without prejudice.

Appeal brief is due as indicated in the Board's July 27, 2015 order.

---

<sup>1</sup> Applicant's notice of appearance of counsel, filed in conjunction with the instant request for amendment and remand is noted. The Board's records have been updated to reflect accordingly.

<sup>2</sup> The Board does not have jurisdiction over an application to approve an amendment to an application, unless the application is involved in a Board inter parte proceeding. See TBMP §212.01
