RE: Serial Number 78/078585

Applicant is requesting reconsideration of a final refusal dated June 18, 2002.

The substitute specimen and declaration are acceptable.

However, after careful consideration of the law and facts of the case, the examining attorney must deny the request for reconsideration and adhere to the final action as written with regard to the refusal under Section 2(d) since no new facts or reasons have been presented that are significant and compelling with regard to the point at issue.

Accordingly, applicant's request for reconsideration is *denied*. 37 C.F.R. Section 2.64(b); TMEP Section 715.04. The application file will be returned to the Trademark Trial and Appeal Board for resumption of the appeal.
