Applicant has filed, on April 7, 2005, a request to remand the application to the Examining Attorney "as applicant seeks to amend the application to assert a Section 2(f) claim pursuant to 15 U.S.C. § 1052(f)." It is noted that this request was not accompanied with the documentation necessary to support it.

Because applicant did not file an amendment to assert a Section 2(f) claim, there is nothing for the Examining Attorney to consider at this point, and therefore the request for remand is denied.

Applicant is allowed sixty days from the mailing date of this order to file its appeal brief.

A request for an oral hearing, if desired, is due not later than ten days after the due date for applicant's reply brief.
