TTAB

I note that an extension of time has been filed and granted for my Trademark, Serial # 78119982.

I am formally objecting to that grant.

According to your TTAB 1503.03 and 1503.04:

An opposition must be filed within thirty days after the date of publication in the Official Gazette, or within an extension period granted by the Board. 15 U.S.C. §1063; 37 C.F.R. §2.101(c); TBMP §§307 et seq. The time within which to file an opposition is set by statute and may not be extended or waived. In re Kabushiki Kaisha Hitachi Seisakusho, 33 USPQ2d 1477 (Comm'r Pats. 1994); In re Cooper, 209 USPQ 670 (Comm'r Pats. 1980).

I notice that an opposition was not filed within the thirty day period, so how can an extension of time be granted forty nine days later?

Please read Chapter 200 202.04 LATE REQUESTS from Trademark Trial and Appeal Board Manual of Procedure (TBMP)

I am asking that the Board disregard the grant for the extension of time and issue me my Trademark.
