**REQUEST FOR EXTENSION OF TIME TO FILE BRIEF ON APPEAL**

Applicant hereby requests a sixty-day extension of time in which to file its brief on appeal in this case.

As grounds in support of this request for extension of time, Applicant asserts that this appeal is limited to issues regarding the identification of goods. Applicant has contacted the Examining Attorney handling the above-referenced application and provided a possible amendment to the identification of goods. The Examining Attorney is reviewing Applicant's proposed amendment which includes deletion of some of the goods in the application. If the Examining Attorney requires further identification of goods in Applicant's proposed amendment, the undersigned will need to contact and receive instructions from Applicant's European counsel

regarding possible further amendments. A sixty-day extension of time is requested to develop an acceptable identification that will obviate the need for this Appeal.

Respectfully submitted,
