Vionette Baez, Paralegal:

Applicant's notice of appeal and request to remand filed on September 20, 2004 is noted. Applicant indicated in its notice that a response was filled concurrently with the appeal (not attached).

Accordingly, the appeal is instituted but action on it is suspended until one month from the mailing date of this order to allow the Board time to receive and process the response. If the response is found sufficient, the Board will then suspend and remand the application file to the Examining Attorney for further consideration.
