To the Trademark Trial and Appeal Board:

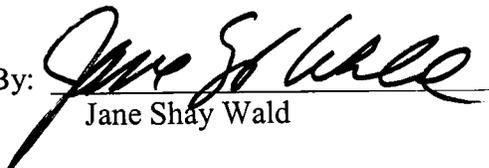

REQUEST FOR EXTENSION OF TIME
FOR FILING AN APPEAL BRIEF

It is respectfully requested that the time now set for filing Applicant-Appellant's Appeal Brief, February 5, 2005, be extended sixty (60) days so that it will be due April 6, 2005.

This request is made for good cause, including that Applicant's counsel desires an opportunity to confer with the Examining Attorney to determine whether narrowing of the claim in Class 36 would resolve her objections. Accordingly, Applicant-Appellant respectfully requests its Request for Extension of Time for Filing Appeal Brief be granted.

Respectfully submitted,
IRELL & MANELLA LLP
