In a letter dated May 5, 2004, the Board denied potential opposer's, Lifestyle Improvement Centers, LLC dba Positive Changes Hypnosis Centers, request for extension of time to oppose filed April 29, 2004 because the request was not timely filed.

On May 26, 2004, potential opposer filed a declaration attesting to the timely mailing of the extension of time; with a certificate of mailing dated April 26, 2004.

Accordingly, the Board's action denying the request for an extension filed April 29, 2004 is vacated, said request is granted and potential opposer is now allowed until **06/23/2004** in which to file an opposition to the registration sought by applicant.
