This letter responds to the applicant's communication filed on November 17, 2005. Applicant is requesting reconsideration of a final refusal dated June 2, 2005.

The trademark examining attorney has carefully reviewed the request for reconsideration and is not persuaded by applicant's arguments. No new issue has been raised and no new compelling evidence has been presented with regard to the point(s) at issue in the final action. TMEP §715.03(a). Accordingly, applicant's request for reconsideration is *denied* and the likelihood of confusion refusal under Section 2 (d) is continued. 37 C.F.R. §2.64(b); TMEP §715.04.

The application file will be returned to the Trademark Trial and Appeal Board for resumption of the appeal.
