Pursuant to Trademark Rule 2.102, IM&M Exercise Equipment, Inc., a Colorado Corporation, 0155 Shoop Dr., Penrose, Colorado 81240, potential opposer herein, through its authorized attorney, requests that it be granted a sixty (60) day extension of time within which to file an opposition against applicant, Nautilus, Inc., regarding the mark "Bowflex Xtreme." This mark was published for opposition of the Official Gazette of the United States Patent and Trademark Office on May 11, 2004 as Serial No. 78/281,058 in class 28 for manually operated exercise equipment. The opposition period expires on June 10, 2004, and potential opposer requests that a sixty (60) day extension be granted, extending the deadline to August 9, 2004.

Good cause for such extension is shown in that the prospective opposer needs extended time within which to investigate the above application and discuss the matter of protecting prospective opposer's rights in its mark and the propriety of filing a Notice of Opposition.

Respectfully submitted,  
IM&M EXERCISE EQUIPMENT, INC.
