Applicant's request to extend time to file its appeal brief and request for remand for consideration of additional evidence filed June 19, 2006 are noted.

Applicant seeks remand in order for the Examining Attorney to consider the additional evidence. Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney for consideration of the additional evidence.

In the event registrability is found on the basis of these papers, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file its brief on appeal.
