REQUEST FOR FIRST EXTENSION OF TIME TO FILE
NOTICE OF OPPOSITION

Madam:

Sun Microsystems, Inc., a Delaware corporation having its principal place of business at 4150 Network Circle, Santa Clara, California 95054, by and through its attorneys hereby requests that the Board grant a ninety (90) day extension of time to file

a Notice of Opposition to registration of the OMNISUN trademark by applicant in the above-referenced case. The opposition period is presently set to expire October 6, 2005, and the requested extension of time would re-set the opposition deadline to December 5, 2005 (120 days from the date of publication) for Sun Microsystems, Inc. The opposition period in this matter has not previously been extended.

The extension is required to provide time for counsel to consider the matter, gather information and to confer with the potential Opposer so that a decision can be made as to whether an opposition should be filed. It is believed that this constitutes good cause for the request.

Respectfully submitted,
