Lalita R. Greer, Paralegal Specialist:

Applicant's request for reconsideration filed
March 30, 2007 is noted.

The request was filed after the filing of the notice of appeal, therefore, the Board will construe the request as a request for remand. Applicant seeks remand in order for the Examining Attorney to consider the proposed amendment. Since the applicant has discussed the proposed amendment with the Examining Attorney and the proposed amendment is an attempt by applicant to resolve the only issue on appeal, the request for remand is granted. Action on the appeal is suspended and the file is remanded to the Trademark

Examining Attorney for consideration of the proposed amendment.
