## **60 Day Request for Extension of Time to Oppose Upon Extraordinary Circumstances**

Pursuant to 37 C.F.R. Section 2.102, Think Computer Corporation, 884 College Avenue, Palo Alto, CA 94306-1303, UNITED STATES respectfully requests that he/she/it be granted an additional 60-day extension of time to file a notice of opposition against the above-identified mark for extraordinary circumstances shown .

Potential opposer believes that extraordinary circumstances are established for this request by:

- A major motion picture, "The Social Network," concerning the formation of Facebook, Inc., in which the potential opposer was involved in 2003-2004, is scheduled to be released on October 1, 2010. Responding to circumstances surrounding the motion picture has consumed a great deal of potential opposer's time. Additional time is needed to consider the implications of a registration so broad in scope that would possibly impact potential opposer's commercial activities.

The time within which to file a notice of opposition is set to expire on 09/22/2010. Think Computer Corporation respectfully requests that the time period within which to file an opposition be extended until 11/21/2010.

Respectfully submitted,  
/Aaron Greenspan/
