60 Day Request for Extension of Time to Oppose Upon Extraordinary Circumstances

Pursuant to 37 C.F.R. Section 2.102, Biermann Productions LLC, 601 N. Broadmoor, Wichita, KS 67206, UNITED STATES respectfully requests that he/she/it be granted an additional 60-day extension of time to file a notice of opposition against the above-identified mark for extraordinary circumstances shown .

Potential opposer believes that extraordinary circumstances are established for this request by:

- My mother is having two serious eye surgeries so I have been helping her get prepared by getting more than caught up in all aspects of her life because she will have to be mostly immobile with her head in a downward motion for one month after the surgeries which during this time I will be helping care for her. I also still plan on trying to get ahold of the applicant to discuss ways I believe we can help each other so that I wont have to file a notice of opposition. So between helping my mom and taking care of myself I have not been able to file a notice of opposition. I am sorry for the delay but thank you for taking a look at my explanation and if you grant this request I will have a notice of opposition filed in the next 60 days or will have spoken to the applicant and figured out some other resolution. Thanks again for your help in this matter.

The time within which to file a notice of opposition is set to expire on 10/01/2008. Biermann Productions LLC respectfully requests that the time period within which to file an opposition be extended until 11/30/2008.

Respectfully submitted,
/Gregory F. Biermann/
