Applicant's request for remand (that includes a copy of a declaration) filed April 13, 2009, is noted.

Applicant seeks remand in order for the Examining Attorney to consider additional evidence that was not available previously. Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney.

In the event registrability is found on the basis of these papers, the appeal will be moot and proceedings will be terminated accordingly. In the event the refusal of registration is maintained, the Board shall be so informed, proceedings will be resumed and applicant will be allowed time in which to file its brief on appeal.
