Rochelle Ricks, Paralegal Specialist:

The applicant's request to suspend this appeal filed June 10, 2009, is noted. The Board notes that applicant's request states that Registration No. 2825847 which forms the basis for refusal under Section 2(d) was registered on March 23, 2004. Accordingly, a *Section 8 affidavit of use* was due to be filed by March 23, 2009, or within the six-month grace period following that date. Office records do not reflect the filing of such a paper as yet. If the *Section 8 affidavit* is not filed within the six-month grace period following the due date, the cited registration will automatically be *cancelled* by this Office six months after the close of the grace period.

Accordingly, the Board hereby suspends action on this appeal pending a determination as to whether the cited registration *has been cancelled*. The status of the cited registration will be known on approximately October 23, 2010.

Proceedings herein are suspended until there has been a final disposition in Registration No. 2825847. As soon as that occurs, applicant should so advise the Board and further appropriate action will then be taken.
