**Millicent Canady, Paralegal Specialist:**

The notice of opposition filed on April 29, 2013 on behalf of Zidian Import, Inc. is noted.

Unfortunately, due to an administrative clerical error, the subject application matured into Registration No. 4355839. The Board regrets this situation, but is without authority to vacate the issuance of said registration.

Accordingly, the Board will forward the electronic record of the application file to the Office of the Commissioner for Trademarks for consideration of the cancellation of the inadvertently issued registration.
