Applicant notes that pursuant to TBMP § 1203.02(d) it is possible for Applicant to file a request for an extension of time to file an Appeal Brief provided that Applicant demonstrates good cause for such an extension. The reasons that Applicant is seeking an extension of time to file its Appeal Brief are as follows:

First, the undersigned is working with a foreign associate with respect to obtaining instructions associated with the matter. Second, the applicant is located in Italy. As a result of this indirect relationship between the undersigned and Applicant, additional time is required to obtain instructions in connection with this application. Applicant submits that these circumstances demonstrate an example of “good cause” under TBMP § 1203.02(d), which clearly states that good cause exists when there is a “need to get instructions from a foreign applicant.” Further, Applicant notes that this is the first request it has made for an extension of time with respect to its brief with the Board in conjunction with this matter. Under such circumstances, Applicant submits that the Board may act with greater leniency with regard to Applicant’s request.

Therefore, in order to allow the undersigned the time necessary to confer, and receive instructions from its foreign client, Applicant respectfully requests that the Board extend the deadline for Applicant to file its Appeal Brief for 60 days to **May 18, 2013**,

Respectfully submitted,

Keith A. Weltsch
