| Applicant | Aperam Alloys Imphy |

Notice of Appeal

Notice is hereby given that Aperam Alloys Imphy appeals to the Trademark Trial and Appeal Board the refusal to register the mark depicted in Application Serial No. 79107454.

Applicant has filed a request for reconsideration of the refusal to register, and requests suspension of the appeal pending consideration of the request by the Examining Attorney.

The refusal to register has been appealed as to the following class of goods/services:

- Class 019.

All goods and services in the class are appealed, namely: Building materials, not of metal namely roofing, panels, walls, not of metal, incorporating solar cells; transportable construction materials, not of metal, namely nonmetallic transportable constructions; building glass and non-metal vitreous coverings in the nature of glass products, for building purposes for covering for walls and partitions, roof coverings, photovoltaic solar slates, photovoltaic solar tiles; non-metal roofing namely construction materials and component parts thereof not made of metal, for roofing, non-metallic roofing and structural component parts thereof; non-metal construction materials for the shell, structure and internal and external partitions of a building namely supports; non-metal floor, partition, and roofing panels, non-metal plates being reinforcements for concrete and wood building construction for building and construction, facings in the nature of plastic-composite or bio-composite or stone for building and construction, synthetic wall-cladding for building and construction and coverings, not of metal, for building and construction in the nature of felt roof coverings and felt floor coverings; support frames not of metal and parts and structural components thereof, enabling the attachment of photovoltaic cells, especially non-metallic frames, non-metallic strips and non-metallic panels; non-metal parts and components of photovoltaic and thermal solar cells, modules or panels namely non-metal structures for mounting solar panels

Respectfully submitted,

/mmlo/
