Monique Tyson, Paralegal Specialist:

Applicant's request for remand, filed February 18, 2016, is noted. Applicant seeks remand so that additional evidence may be introduced and made of record. Inasmuch as good cause has been shown, the request is granted, action on the appeal is suspended, and the file is remanded to the Examining Attorney for her consideration of applicant's coexistence agreement proffered with the request.

In the event that registrability is found on the basis of the additional evidence, the appeal will be moot and the Board should be so informed. In the event refusal is maintained, a brief office action should be issued, excluding the usual language allowing applicant six months to respond, the file should be returned to the Board, proceedings will be resumed, and applicant will be allowed time in which to file its brief on appeal.
