REQUEST FOR EXTENSION OF TIME TO FILE APPEAL BRIEF

Applicant, by its attorney, hereby requests a 60-day extension of time in which to file its appeal brief. When this request is granted, the new due date for filing the appeal brief will be February 4, 2015.

As grounds in support of this request for extension of time, Applicant advises the Board that it is in the process of attempting to obtain consent to use and registration from the owner of the cited registration which is the basis for the final refusal and for this appeal. Once the consent from the Registrant is obtained, Applicant submits that this will be new evidence which will be the subject of a request to remand and which should be the basis of a withdrawal of the Section 2(d) refusal of registration.

Since additional time is needed to obtain the consent Applicant respectfully requests that the time for filing the appeal brief in this case be extended sixty days up to

and including February 4, 2015.

This request is not made for purposes of delay.

Respectfully submitted,

Fay Sharpe LLP
