REQUEST FOR EXTENSION OF TIME TO FILE APPEAL BRIEF

Applicant, by its attorney, hereby requests an additional 45-day extension of time in which to file its appeal brief. When this request is granted, the new due date for filing the appeal brief will be June 4, 2015.

As grounds in support of this request for extension of time, Applicant advises the Board that it is in the process of obtaining a consent to use and registration from the owner of the cited registration which is the basis for the final refusal and for this appeal. Consent to register had been agreed upon by both parties but a new issue arose before the agreement could be signed. It appears that this issue can be resolved to the parties mutual satisfaction and the agreement can be signed before the new June 4, 2015 deadline for filing Applicant's brief. Once the consent agreement is signed by both parties, Applicant submits that this new evidence, which will be the subject of a request

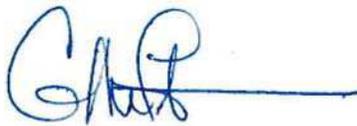

to remand, should be the basis of a withdrawal of the Section 2(d) refusal of registration.

Because additional time is needed to resolve this new issue and obtain signatures on the consent agreement, Applicant respectfully requests that the time for filing the appeal brief in this case be extended thirty days up to and including June 4, 2015.

This request is not made for purposes of delay.

Respectfully submitted,

Fay Sharpe LLP
