Veronica P. White, Paralegal Specialist:

On June 27, 2016, the Trademark Examining Attorney submitted a request for remand.

In view of the reasons given therein, the request for remand is granted. Action on the appeal is suspended, and the electronic file is remanded to the Examining Attorney.

If another final refusal ultimately issues, the six-month-response clause should be omitted, and the file should be returned to the Board. Action on the appeal will then be resumed; and the Applicant will be allowed time in which to file its brief on appeal.
