REQUEST UNDER TBMP §1203.02(d)
FOR EXTENSION OF TIME TO FILE
APPLICANT'S BRIEF ON APPEAL

Applicant hereby requests under Section 1203.02(d) of the Trademark Trial and Appeal Board Manual of Procedure an extension of sixty (60) days to file its appeal brief. This extension is requested because applicant and its instructing attorneys (located in Belgium) have indicated that negotiations are currently pending with the owner of the cited registration over which this application was refused registration regarding the granting of a suitable letter of consent to registration of applicant's mark, said letter to be submitted to the U.S. Patent and Trademark Office. Accordingly, applicant respectfully requests an extension of time from June 21, 2015 to August 20, 2015.

Respectfully submitted,

KIRSCHSTEIN, ISRAEL,
SCHIFFMILLER & PIERONI, P.C.
